

About us - PressFriends is a community service group formed and run by kids for kids. Our mission is to make writing fun for elementary school kids, to empower every kid to become a leader and mentor, and to create friendships among youth from diverse backgrounds.

Mentoring - Our primary mission is to work with elementary school students in higher need areas to make writing fun by helping them develop their own school newspaper.

Guidance - We provide editorial guidelines and email assistance to elementary schools in other areas to help them start their own school newspaper.
